

Selecting your future home should be a carefully considered decision, but an easy transaction.

1

Choose your site on the sales map. If it helps to get context for the surrounding environment refer to the virtual tour.

2

Contact the developer morgan@inexdev.co.za or craig@inexdev.co.za to start initiating the transaction.

3

Design the plans for your unit with SVA International Architects based on Prototypes A - D.

4

The developers shall administer and project manage all the functions to execute the construction of your home.
